RENOLD

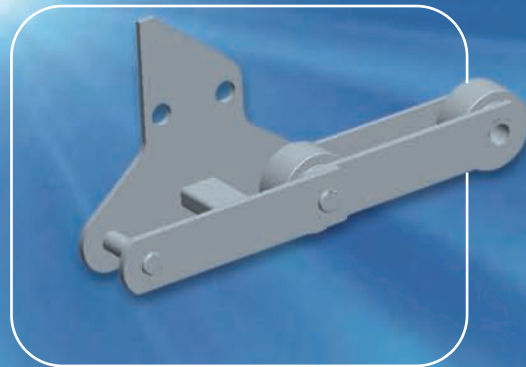

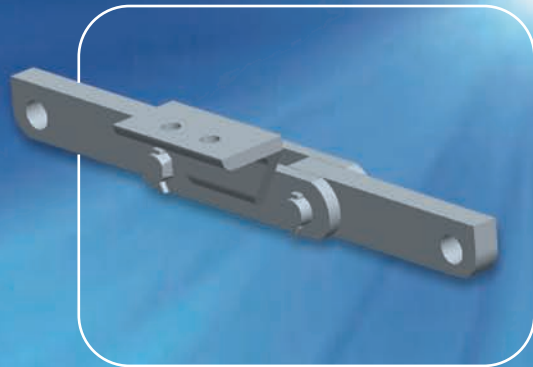

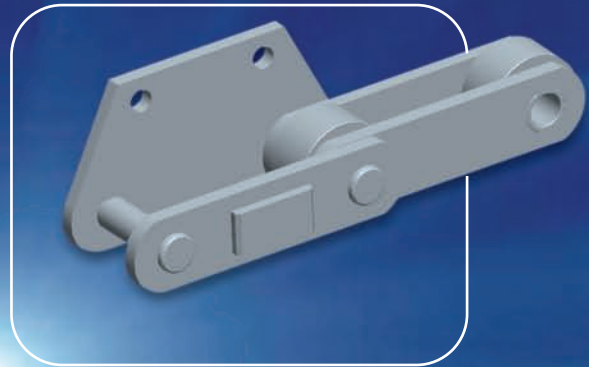

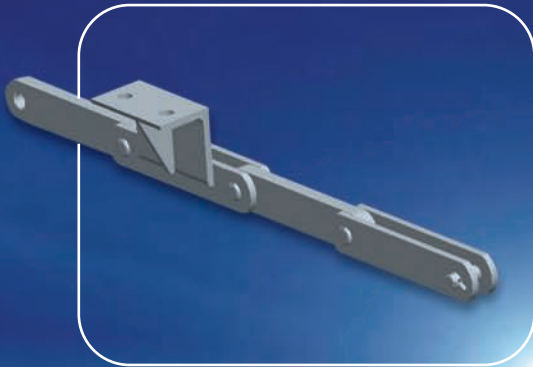

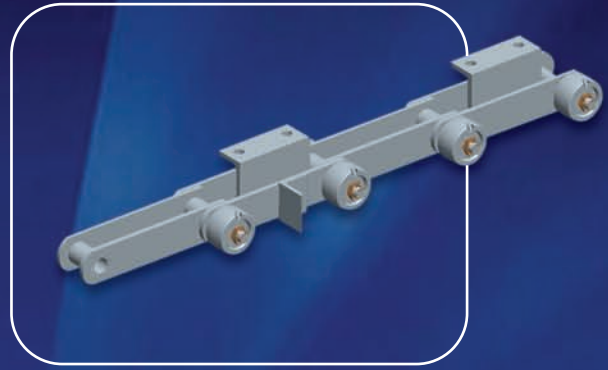

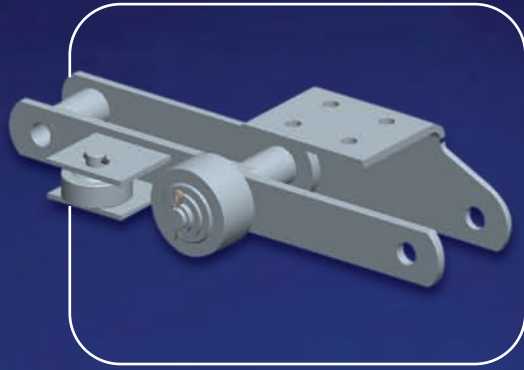

Stacker
Reclaimer
Chain

Renold Chain India is the domestic source for high-performance, long-lasting replacement chains that keep cement, paper, coal, lime, and phosphate mills running at maximum capacity and uptime. We manufacture a wide selection of heavy-duty tier-A reclaimer chains that are direct retrofits for OEM chains. **Renold Chain India** chains are built to perform and to last — once you drop them in, you're ready again for the long haul.

Stacker Reclaimer Chain

For every industry, every style of chain and OEM — **Renold Chain India** has the sales and engineering expertise and dedication to provide cost-effective solutions for your demanding applications.
